DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

Stahlwerk Thüringen GmbH
Kronacher Straße 6
D-07333 Unterwellenborn
E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

Notified factory production control certification body No. 0769

KIT Karlsruher Institut für Technologie
Versuchsanstalt für Stahl, Holz und Steine
Otto-Ammann-Platz 7
D-76131 Karlsruhe

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

   Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

   Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

   Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

   Stahlwerk Thüringen GmbH
   Kronacher Straße 6
   D-07333 Unterwellenborn
   E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

   System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

   Notified factory production control certification body No. 0769

   KIT Karlsruher Institut für Technologie
   Versuchsanstalt für Stahl, Holz und Steine
   Otto-Ammann-Platz 7
   D-76131 Karlsruhe

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

Material number: 1.0577

Surface condition according to DIN EN 10163-3, class C, subclass 1

Material for galvanization. Si: 0.14% - 0.25%

General technical terms of delivery for hot rolled structural steel products: EN 10025-1
Intended uses: Welded, bolted and riveted structures
Expressed as indicated in the DoP:
Tolerances / Tensile strength / Yield strength / Elongation
Impact strength / Weldability / Durability

Tolerances on dimensions and shape:
HE / IPE / UB / UC / UBP / HP according to EN 10034
UPN / UPE / PFC according to EN 10279

We hereby declare that the products we make were checked for radioactive components and that they are free from radioactive contaminations in compliance with the requirements of the steel construction standard EN 1090-1.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

   Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

   Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

   Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

   Stahlwerk Thüringen GmbH
   Kronacher Straße 6
   D-07333 Unterwellenborn
   E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

   System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

   Notified factory production control certification body No. 0769

   KIT Karlsruher Institut für Technologie
   Versuchsanstalt für Stahl, Holz und Steine
   Otto-Ammann-Platz 7
   D-76131 Karlsruhe

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

   Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

   Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

   Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

   Stahlwerk Thüringen GmbH
   Kronacher Straße 6
   D-07333 Unterwellenborn
   E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

   System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

   Notified factory production control certification body No. 0769

   KIT Karlsruher Institut für Technologie
   Versuchsanstalt für Stahl, Holz und Steine
   Otto-Ammann-Platz 7
   D-76131 Karlsruhe

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

Material number: 1.0577

Surface condition according to DIN EN 10163-3, class C, subclass 1

Material for galvanization. Si: 0.14% - 0.25%

General technical terms of delivery for hot rolled structural steel products: EN 10025-1
Intended uses: Welded, bolted and riveted structures
Expressed as indicated in the DoP:
Tolerances / Tensile strength / Yield strength / Elongation
Impact strength / Weldability / Durability

Tolerances on dimensions and shape:
HE / IPE / UB / UC / UBP / HP according to EN 10034
UPN / UPE / PFC according to EN 10279

We hereby declare that the products we make were checked for radioactive components and that they are free from radioactive contaminations in compliance with the requirements of the steel construction standard EN 1090-1.

We confirm herewith that the delivered material complies with the terms of the order.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

Stahlwerk Thüringen GmbH
Kronacher Straße 6
D-07333 Unterwellenborn
E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

Notified factory production control certification body No. 0769

KIT Karlsruher Institut für Technologie
Versuchsanstalt für Stahl, Holz und Steine
Otto-Ammann-Platz 7
D-76131 Karlsruhe

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

Stahlwerk Thüringen GmbH

E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

Notified factory production control certification body No. 0769

KIT Karlsruher Institut für Technologie
Versuchsanstalt für Stahl, Holz und Steine
Otto-Ammann-Platz 7
D-76131 Karlsruhe

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

- electric arc melting
- ladle refined, fine grained and fully killed

Material number: 1.0577

Surface condition according to DIN EN 10163-3, class C, subclass 1

Material for galvanization. Si: 0.14% - 0.25%

General technical terms of delivery for hot rolled structural steel products: EN 10025-1
Intended uses: Welded, bolted and riveted structures
Expressed as indicated in the DoP:
Tolerances / Tensile strength / Yield strength / Elongation
Impact strength / Weldability / Durability

Tolerances on dimensions and shape:
HE / IPE / UB / UC / UBP / HP according to EN 10034
UPN / UPE / PFC according to EN 10279

We hereby declare that the products we make were checked for radioactive components and that they are free from radioactive contaminations in compliance with the requirements of the steel construction standard EN 1090-1.

We confirm herewith that the delivered material complies with the terms of the order.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

   Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

   Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

   Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

   Stahlwerk Thüringen GmbH
   Kronacher Straße 6
   D-07333 Unterwellenborn
   E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

   System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

   Notified factory production control certification body No. 0769

   KIT Karlsruher Institut für Technologie
   Versuchsanstalt für Stahl, Holz und Steine
   Otto-Ammann-Platz 7
   D-76131 Karlsruhe

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

Stahlwerk Thüringen GmbH
Kronacher Straße 6
D-07333 Unterwellenborn
E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

Notified factory production control certification body No. 0769

KIT Karlsruher Institut für Technologie
Versuchsanstalt für Stahl, Holz und Steine
Otto-Ammann-Platz 7
D-76131 Karlsruhe

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

Stahlwerk Thüringen GmbH
Kronacher Straße 6
D-07333 Unterwellenborn
E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

Notified factory production control certification body No. 0769

KIT Karlsruher Institut für Technologie
Versuchsanstalt für Stahl, Holz und Steine
Otto-Ammann-Platz 7
D-76131 Karlsruhe

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

   Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

   Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

   Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

   Stahlwerk Thüringen GmbH
   Kronacher Straße 6
   D-07333 Unterwellenborn
   E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

   System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

   Notified factory production control certification body No. 0769

   KIT Karlsruher Institut für Technologie
   Versuchsanstalt für Stahl, Holz und Steine
   Otto-Ammann-Platz 7
   D-76131 Karlsruhe

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

   Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

   Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

   Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

   Stahlwerk Thüringen GmbH
   Kronacher Straße 6
   D-07333 Unterwellenborn
   E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

   System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

   Notified factory production control certification body No. 0769

   KIT Karlsruher Institut für Technologie
   Versuchsanstalt für Stahl, Holz und Steine
   Otto-Ammann-Platz 7
   D-76131 Karlsruhe

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

   Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

   Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

   Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

   Stahlwerk Thüringen GmbH
   Kronacher Straße 6
   D-07333 Unterwellenborn
   E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

   System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

   Notified factory production control certification body No. 0769

   KIT Karlsruher Institut für Technologie
   Versuchsanstalt für Stahl, Holz und Steine
   Otto-Ammann-Platz 7

Material number: 1.0577

Surface condition according to DIN EN 10163-3, class C, subclass 1

Material for galvanization. Si: 0.14% - 0.25%

General technical terms of delivery for hot rolled structural steel products: EN 10025-1
Intended uses: Welded, bolted and riveted structures
Expressed as indicated in the DoP:
Tolerances / Tensile strength / Yield strength / Elongation
Impact strength / Weldability / Durability

Tolerances on dimensions and shape:
HE / IPE / UB / UC / UBP / HP according to EN 10034
UPN / UPE / PFC according to EN 10279

We hereby declare that the products we make were checked for radioactive components and that they are free from radioactive contaminations in compliance with the requirements of the steel construction standard EN 1090-1.

We confirm herewith that the delivered material complies with the terms of the order.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

   Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

   Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

   Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

   Stahlwerk Thüringen GmbH
   Kronacher Straße 6

   E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

   System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

   Notified factory production control certification body No. 0769

   KIT Karlsruher Institut für Technologie
   Versuchsanstalt für Stahl, Holz und Steine
   Otto-Ammann-Platz 7
   D-76131 Karlsruhe

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

- electric arc melting
- ladle refined, fine grained and fully killed

Material number: 1.0577

Surface condition according to DIN EN 10163-3, class C, subclass 1

Material for galvanization. Si: 0.14% - 0.25%

General technical terms of delivery for hot rolled structural steel products: EN 10025-1
Intended uses: Welded, bolted and riveted structures
Expressed as indicated in the DoP:
Tolerances / Tensile strength / Yield strength / Elongation
Impact strength / Weldability / Durability

Tolerances on dimensions and shape:
HE / IPE / UB / UC / UBP / HP according to EN 10034
UPN / UPE / PFC according to EN 10279

We hereby declare that the products we make were checked for radioactive components and that they are free from radioactive contaminations in compliance with the requirements of the steel construction standard EN 1090-1.

We confirm herewith that the delivered material complies with the terms of the order.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 UK-CPR 2022-01-01 SWT

1. Unique identification code of the product-type:

Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

Stahlwerk Thüringen GmbH

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 UK-CPR 2022-01-01 SWT

1. Unique identification code of the product-type:

Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

Stahlwerk Thüringen GmbH

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

Notified factory production control certification body No. 0836

British Board of Agrément
Bucknalls Lane
Watford
Hertfordshire WD25 9BA

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

Stahlwerk Thüringen GmbH
Kronacher Straße 6
D-07333 Unterwellenborn
E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

Notified factory production control certification body No. 0769

KIT Karlsruher Institut für Technologie
Versuchsanstalt für Stahl, Holz und Steine
Otto-Ammann-Platz 7
D-76131 Karlsruhe

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

- electric arc melting
- ladle refined, fine grained and fully killed

Material number: 1.0577

Surface condition according to DIN EN 10163-3, class C, subclass 1

Material for galvanization. Si: 0.14% - 0.25%

General technical terms of delivery for hot rolled structural steel products: EN 10025-1
Intended uses: Welded, bolted and riveted structures
Expressed as indicated in the DoP:
Tolerances / Tensile strength / Yield strength / Elongation
Impact strength / Weldability / Durability

Tolerances on dimensions and shape:
HE / IPE / UB / UC / UBP / HP according to EN 10034
UPN / UPE / PFC according to EN 10279

We hereby declare that the products we make were checked for radioactive components and that they are free from radioactive contaminations in compliance with the requirements of the steel construction standard EN 1090-1.

We confirm herewith that the delivered material complies with the terms of the order.

DECLARATION OF PERFORMANCE
in acc. with EU-regulation 305/2011, Annex III

No. 032 CPR 2020-10-01 SWT

1. Unique identification code of the product-type:

   Hot rolled constructional steel products: 1.0577

2. Type, batch or serial number or any other element allowing identification of the construction products as required under Article 11(4):

   Section S355J2 according to EN 10025-2

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

   Welded, bolted and riveted structures

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5):

   Stahlwerk Thüringen GmbH
   Kronacher Straße 6
   D-07333 Unterwellenborn
   E-Mail: info@stahlwerk-thueringen.de

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

   System 2+

6. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

   Notified factory production control certification body No. 0769

   KIT Karlsruher Institut für Technologie
   Versuchsanstalt für Stahl, Holz und Steine
   Otto-Ammann-Platz 7
   D-76131 Karlsruhe

performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.

SPECIFICATION

Ultrasonic test acc. EN 10160, EN 10160 class S0/Body, Grid 200 mm, EN 10160 class E1/Edge Zone, Edge zone longitudinal 50 mm, Edge zone transverse 50 mm; satisfactory

VALID TEST EQUIPMENT
mechanized ultrasonic "In-Line testing system" (Manufacturer: NDT-Systems & Services) and
mechanized ultrasonic "off-line - testing system" (manufacturer: Windhoff Bahn- und Anlagentechnik GmbH) and
MUT (optional): Sonatest D20 no. 90006523 or Sonatest D20 no. 90007346 or Sonatest D50 no. 90010231 or GE – USM 36 no. 90010775 or Sonatest Wave no. 90015462 or Sonatest Wave no. 90015464

PROBE
(in-line AUT): 3STSE 18.3/8 P5, SEZ5R10RS, SE3 18.3/10 5A, (5MHz)
(off-line AUT): S140 (4MHz) 3T/1R
(MUT): SEB4E (4MHz), SEB4E0° (4MHz), MSEB4E (4MHz), B2SO (2MHz)
watergapcoupling

SURFACE CONDITION
Scaled surface - cleaned surface and free of loose scale.

RESULT
Plate(s) comply with the specification.

INSPECTION OPERATOR
Operators Level 2: qualified and certified according EN ISO 9712 (since 01.01.2013) respectively according the Written Practice „NDT-WP" (in accordance to Recommended Practice SNT-TC-1A). Operators Level 2 for ASME/ASTM.
